

## Real Estate For Sale Sign Request Form

All Homeowners and Real Estate Agents listing a home for sale in the Black Creek Community (formally Cummings Cove Community) are required to order a sign through the community HOA/ Management offices. The management office staff will place your order through Sign Revolution to insure all signs are within the Community Covenants and Restrictions.

\$50 is due a time of order. Please make a check payable to Sign Revolution.

A separate check for \$65 made out to Black Creek Community Association is due at time of order. This will cover the cost of the post and installation of the sign with post.

Please allow two weeks from the time this form and checks are submitted until the sign is installed in the Homeowner's front yard. The HOA will allow a temporary For Sale Sign during the first two weeks from the time the home is listed for sale until the ordered sign is installed.
